

## **Lull Telehandler Parts**

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement ever since 1959. Whether the job entails transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler would help make the job go faster and easier. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull is able to provide 80 inches of boom travel for precision placement capabilities. There are even many optional Lull accessories for their telehandlers to be able to help finish any task.
