

American Lincoln Parts

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are known in the business as providing strong and durable equipment which meets the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln could provide machines, parts and warranty service for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in new construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
